Ten more Main Contractors choose Builder's Profile!

Another ten impressive Main Contractors join to benefit from the PAS-91 aligned easy-to-use collaboration that the Builder's Profile PQQ & Compliance service delivers. We all know how challenging it can be to meet construction legislation requirements. Your Profile is not just a PQQ, but a valued step within Main Contractor Management. Your Profile supplies the main contractor with what they need to be compliant, accountable and auditable.

Builder's Profile Help Telford Homes to Build a Legacy

Telford Homes, one of London's largest residential developers, has chosen Builder's Profile to effectively assess and approve subcontractors to their own rigorous high standards - and to help build their 'Living Legacy'. [MORE >>](#)

Your Builder's Profile – Integrates with Management Services

Many Builder's Profile Members are both Main Contractor and Subcontractor, but all benefit from the ease with which they manage PQQ information, collaborate and simply get on with the job. Your Profile, a company history of expertise and compliance not only pre-qualifies but integrates with management services across internal systems, populating facilities such as BIM, KPI, estimating and accounting. Premium Member Profiles are immediately available to all contractors using the management service.
